**PRAYER GUIDE**

WELCOME  
TO  
**40 DAYS OF  
POWER**  
with Pastor Mensa Otabil

*Over the years, the month of July has served as a Spiritual Emphasis Month for ICGC Churches all over the world. It's been a time of consecration, prayer and fasting. It has always been one of the high points of our year, climaxing with our annual Greater Works conference.*

*Sometime last year, I had a strong leading to call God's people in Ghana and all over the world to join in this spiritual encounter. I also felt led to extend the period of fasting and prayer from thirty to forty days. Starting this year, I am honoured to invite you to join me as we stretch our faith and embark on a new experience we call 40 DAYS OF POWER.*

*From the 21st June to 30th July, 2018, I urge you to spend time fasting every day as we pray for our nation Ghana, the church, our families and for progress in all areas of our individual lives.*

*This Prayer Guide is carefully prepared to allow us to pray together along the same direction as we join our hearts from various parts of the world in this spiritual experience. Every day has a prayer theme and a guiding scripture. Starting from 5am, a prayer topic is provided for each hour. Different parts of the day focus on different aspects of our lives. Each day ends with a bed time declaration to consolidate the blessings of the day and prepare for the day ahead.*

*Some helpful tips on effective fasting are included to guide you in observing a healthy and impactful fast.*

*It is my prayer that this guide will help you to derive the maximum benefit from this period of fasting. I hope that it will help you to build the vital discipline of daily prayer and devotion even beyond the forty-day period.*

*May God hear and answer your prayers speedily as we embark on this solemn journey of consecration together.*

*Shalom!*

# HELPFUL HINTS FOR FASTING

*The practice of regular fasting is a normal Christian behaviour taught by Jesus. In Matthew 6:16–18, Jesus provided guidelines for fasting. Fasting was also practiced by the early church as evidenced in Acts 13:2. It has been the regular discipline of believers throughout church history.*

*Fasting has physical as well as spiritual benefits. It must be embarked on with spiritual commitment and wisdom. Everything should be done to the glory of God.*

## ***Do's Of Fasting***

- Prepare your body for the fast; cut back on food portions and eat smaller meals a few days prior to the fast.
- Prevent constipation during and after the fast by eating fresh fruit and raw vegetables, fruit or vegetable juices, oatmeal, etc.
- Drink lots of water when fasting.
- Seek medical advice before the fast if you have any existing health conditions.
- You can fast in many different ways. For example, a Daniel fast is one in which you consume only vegetables and water throughout. Pray and ask God what He will give you faith for the duration of the fast.
- Have a clear target as your prayer focus. Without a vision or clear goal, the people perish. Write down your vision for the fast so you can run with it (Habakkuk 2:2).
- Take time to pray and read the word. This may seem obvious, but busyness and distractions can keep you from daily devotions. Expect to hear God's voice in the word, dreams, visions, and revelations. Daniel prepared himself to receive revelation through fasting (Daniel 10:1–2).
- Break your fast gradually. At this point you will need to exercise watchful self-control. Break your fast on a meal that is light and easy to digest (i.e., broth, a shredded apple, watermelon, or steamed vegetables).
- Prepare for opposition. Satan tempted Jesus on the fast, and we must expect the same. Discouragement may come but take your stand on the victory of Christ.

## ***Don'ts Of Fasting***

- Avoid high-fat and sugary foods before the fast.
- Abstain from strong stimulants such as caffeinated and sugary drinks during a fast, including the artificial sweeteners found in diet drinks.
- It is important after a fast to control your cravings and avoid overeating and nullifying the gains made during the fast.

*I am excited that you are joining me on this fast. Commit to staying the course and fasting from the beginning to the end. I believe that God's glory will envelope our nation Ghana in a supernatural way as we wait upon the Lord.*
